Personality

Describe your personality

I'm curious and enjoy being social, although I also appreciate some time alone occasionally, but I guess most people do?

Describe your weaknesses

I can easily get frustrated if there's something I find challenging to learn.

Describe your strengths

I am determined/persistent, so if I start something, I prefer to see it through to completion.

Describe some of your best experiences as a child

My best experiences have definitely been with people I'm close to. It doesn't matter so much what we're doing.

Describe some of your best experiences as a teenager

It must have been the holiday to Italy with my first boyfriend.

What did you dream of becoming as a child?

After my family and I visited NASA in the USA when I was little, my biggest dream was to become an astronaut. Although it might not happen exactly that way, I still have a keen interest in space.

What do your friends say about you?

They say that I'm a good friend who always has time for them - and always ready for a party.

Are you introvert or extrovert?

I would say extrovert

Education and employment

What languages do you speak?

I can speak Danish and English fluently, and I am in the process of learning Spanish.

Did you do well, average or poorly in primary school?

Above average.

Which school subject did you enjoy most?

Probably physics or English.

What educations have you started or completed?

I attended a continuation school, and I am currently enrolled in a general upper secondary education program (stx). At the moment I study medicine at the university

Do you have a work?

No.

What is your career goal?

I would like to work as a paediatrician

Do you have any jobs in your sparetime?

.Yes, I work as an assistant at an ophthalmologist

Do you do voluntary work?

Yes, I work in the local sports club as a handball trainer.

Hobbies

Favourite movie?

"How To Train Your Dragon" will always have a special place in my heart as it was my favourite film as a child, and it remains a fantastic film (the first one, of course, although the other two are also great). Otherwise, another favorite of mine is "Spider-Man: Across the Spider-Verse."

Favourite book?

I'm not a big reader, but I love audiobooks. "Eragon" is definitely my favorite book. Its world-building is fantastic.

What kind of music do you like?

I like most music, and it changes a lot, but I've always enjoyed rock like "Foo Fighters" or "Scorpions." I also really like stuff like "John Mayer" and "Cigarettes After Sex," and I'm currently listening to a lot of "Joji."

Favourite artists?

Joji is probably my favourite artist.

Do you play any instruments?

I have played piano for many years and a bit of bass. I don't play as much anymore.

Are you creative?

I like to draw and design spaces. I think a lot in pictures.

Other hobbies, interests or talents?

I enjoy being outdoors, as long as it's not too cold.

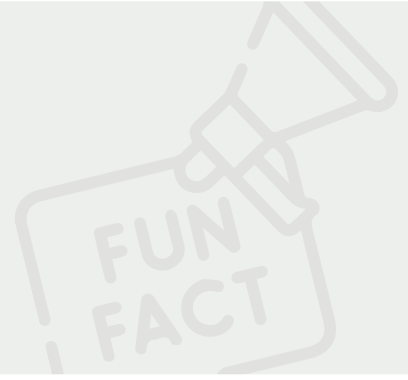

How do you prefer to travel and why?

I think I like most types of holidays. I really enjoy exploring, but a relaxing beach holiday is also quite nice.

Favourite travel destination?

Italy. the food, the wine and nature.

Fun facts

Favourite food?

Everything with pasta

Cheap or spend money?

Cheap - I want to save money for a house

Action or romantic film?

Romantic film - I love to sit with friends and watch them

Favourite colour?

Blue

Cat or dog?

100% dog. We have always had dog in my family

Morning person or night owl?

Morning person. I always get up early sitting in the kitchen enjoying a cup of coffee

Marital status and children

Are you married, in a relationship or single?

Single.

Do you have any children?

No.

Why do you want to become a donor?

I think it's so unfair that some people can't have children naturally. That's why it means so little to me to be able to give them my eggs and give them the greatest gift of all.

I hope that others will also help me if I need it one day.
